

Negotiating a Job Offer: Sample Questions

Inquiry:

- What is important to you about that?
- How would that help you?
- What part of what I'm asking for, doesn't work for you? or, works for you?
- What else can you tell me?
- If you got that, what would it mean for you?

Problem solving:

- What would be an ideal solution for you?
- What would it take to make this work?
- Which parts of this proposal are most important to you?
- If you were in my position, what would you suggest?
- If I were willing to do X, would you be willing to do Y for me?

Commitment:

- To confirm, I'm going to do X and you're going to do Y. Is that correct?
- Is there anything that might get in the way of committing to our agreement?
