

Changing Industries

Present:

I am extremely excited to be embarking on a new journey as I make the change from [Industry A] to [Industry B]. While some might see it as a surprising move after spending so much time in the areas of [X, Y, Z], I have felt for some time that my true skills, abilities and most importantly passion are best served aligning with _____ industry.

Past:

There are several qualities that I have developed in my roles as [insert roles], that will be advantageous in successfully fulfilling the accountabilities mentioned in the job posting including _____, _____, and _____ [3 applicable skills and abilities]. Specifically work in [example from your past that supports the 3 skills] demonstrates that I have the experience to make an impact.

With the U.S ownership, ABC Company has gone through restructuring. As part of the most recent changes, a number of department and clients groups were consolidated and as a result my position along with several others was eliminated and I feel now it is the opportunity for change.

Future:

I am looking for a role that will enable me to utilize my experience and transferable skills and one which will allow me to achieve the goals you have set for the incoming hire for this position.
